

The Future of Tomorrow in Higher Education in Australia

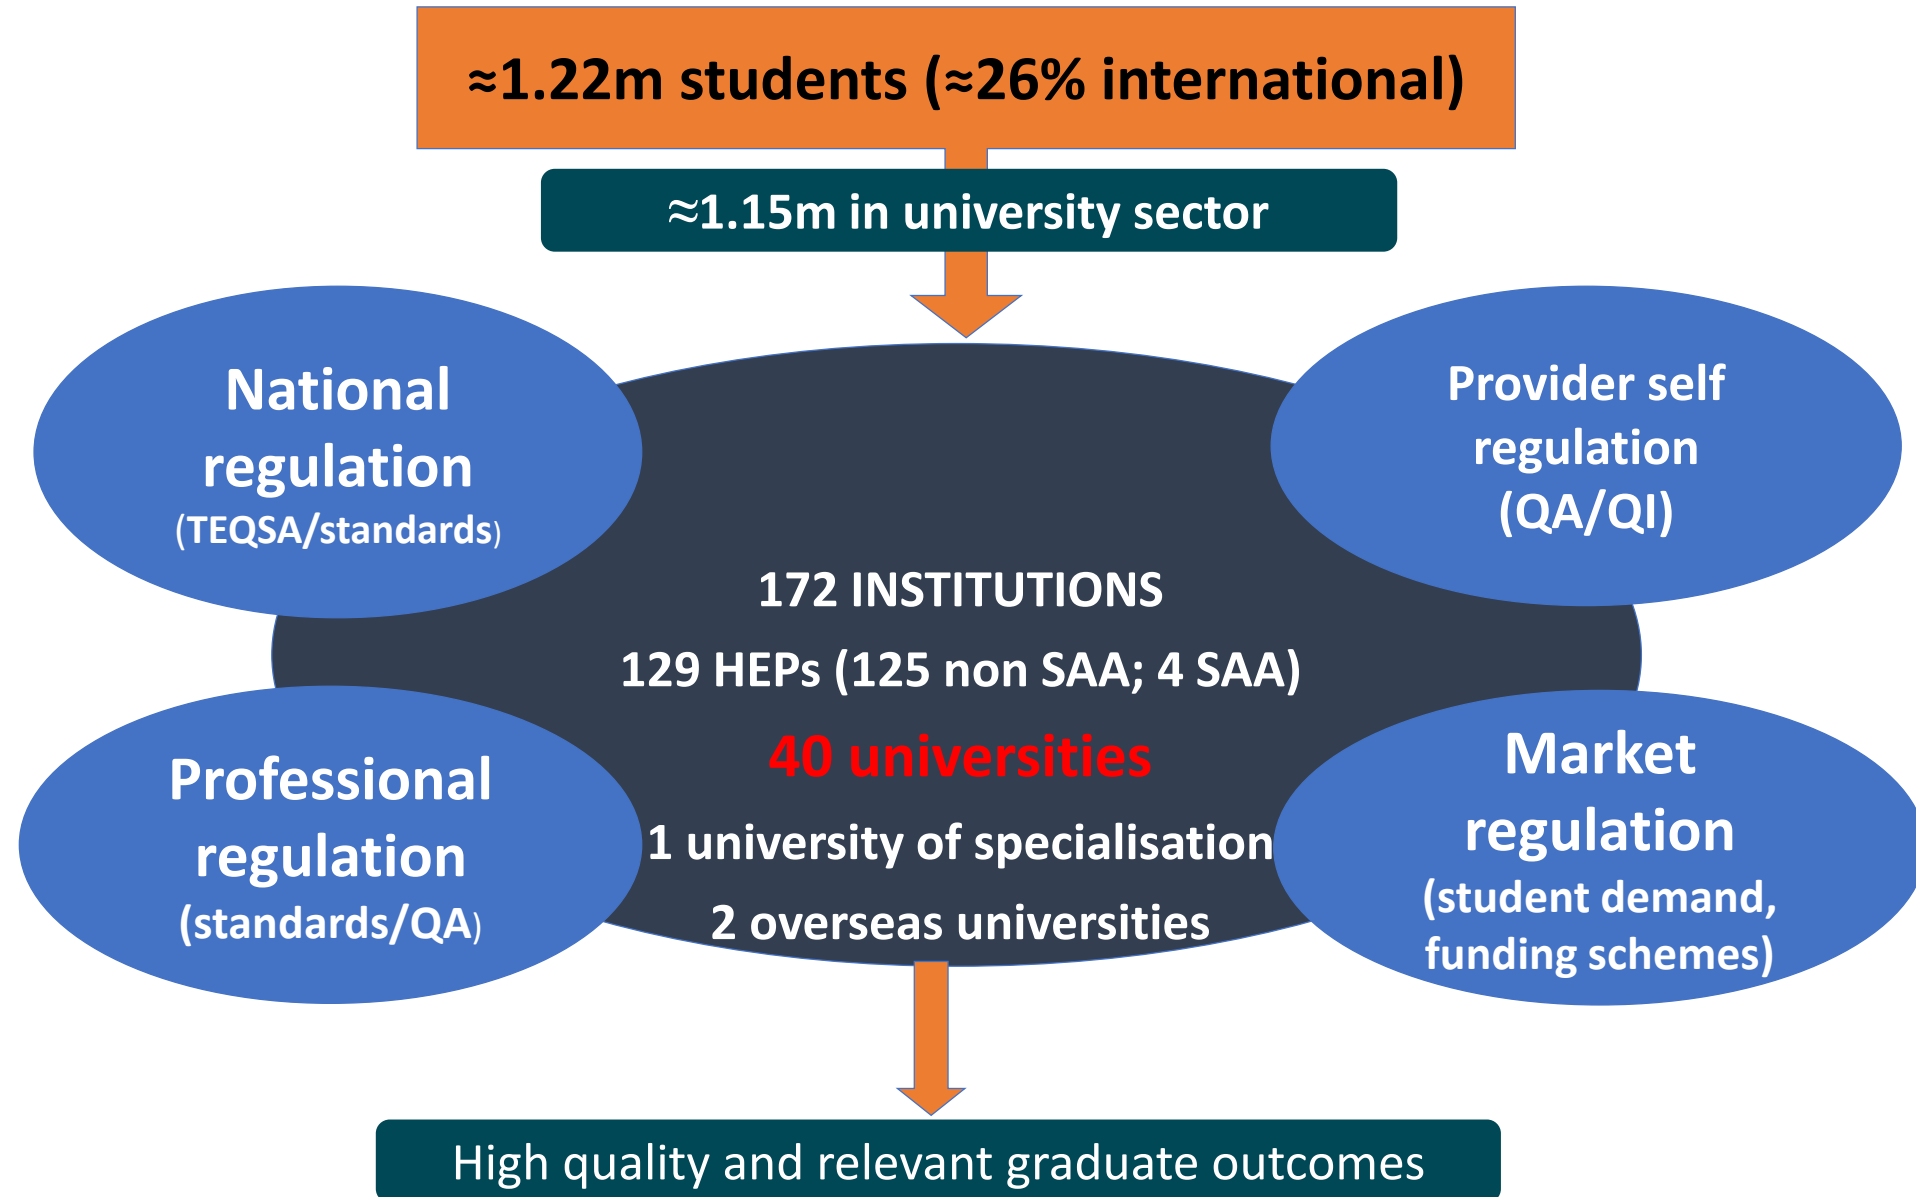

JULIE ARTHUR

Tomorrow belongs to new generations

AUSTRALIAN HIGHER EDUCATION

The Voice of students will be used more

The MyUniversity website is no longer available.

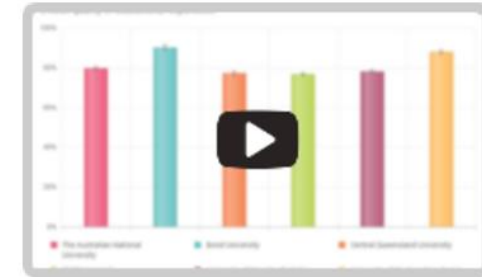

If you are looking for information to help you choose an institution, or an undergraduate course, you can go to the new Quality Indicators of Learning and Teaching (QILT) website, which will give you feedback from thousands of students about their experiences studying higher education in Australia. This is at <http://www.qilt.edu.au>

Choose a university or higher education institution that is best for you.

Compare undergraduate and postgraduate coursework student experience and graduate employment.

Learning resources	84.0% (83.1% - 85.0%) 2774 responses	85.2%

AUDIENCE DISCUSSION

Are we using their voices for good or evil

Please discuss for 4 minutes

- Appoint a reporter to give feedback

- Solzhenitsyn:
“Dwell on the
past and you'll
lose an eye.
Forget the past
and you'll lose
both eyes.”
