

## Presentation Title: Experiences of Integrating Blue with Blackboard and Canvas: A Deeper Integration

---

**Presenters:** Brett McDaniel, University of Kentucky

**Description:** This presentation will explain the details of how the University of Kentucky (UK) implemented the integration with both Blackboard and then Canvas, after we switched to Canvas. An in depth look at the deeper integration with Canvas will show our live system how we currently are using the integration with Canvas to improve our response rates. We will also look at some of the features that UK is not using but are available in the integration with Canvas. Hopefully, those using Canvas will be able to take away some knowledge in their implementation and integration
