How Bluepulse Works

Bluepulse is a live formative feedback platform that gauges student sentiment, understanding, and progress to drive success.

CHECK-IN

Ask students a quick question or set up automatic weekly questions to follow progress.

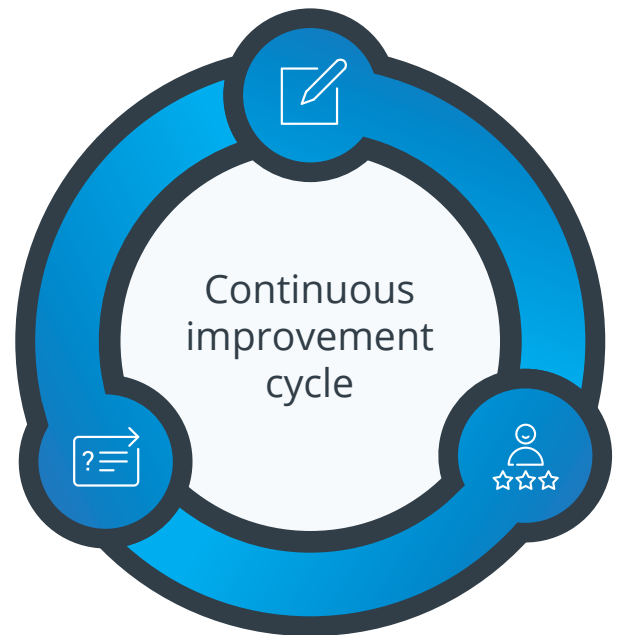

GET FEEDBACK

Collect and reply to confidential student feedback throughout the semester.

FOLLOW-UP

Send tailored follow-up questions, take action, and provide support when students need it.

Available in:

Blackboard

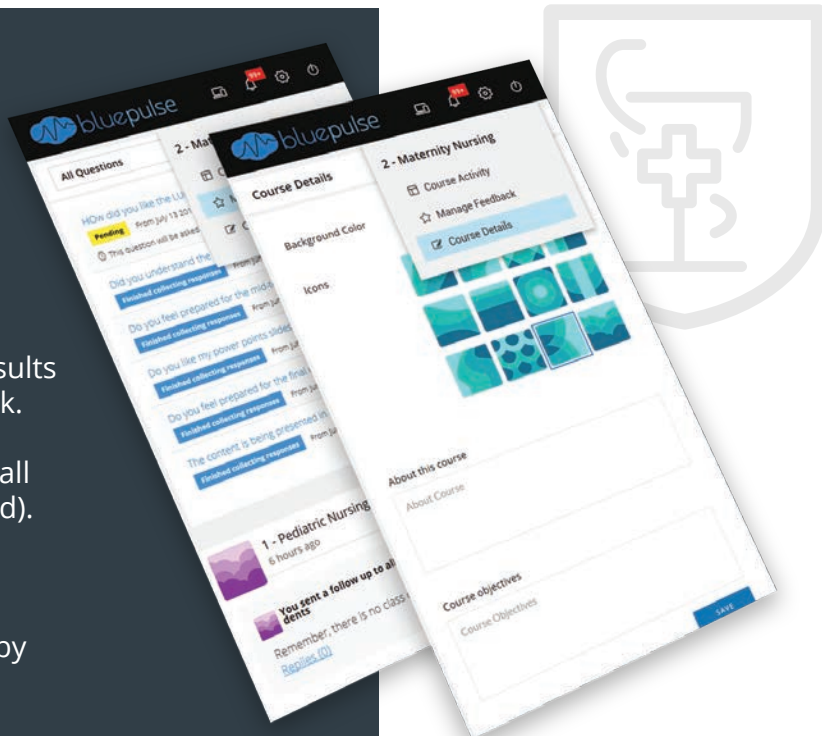

moodle

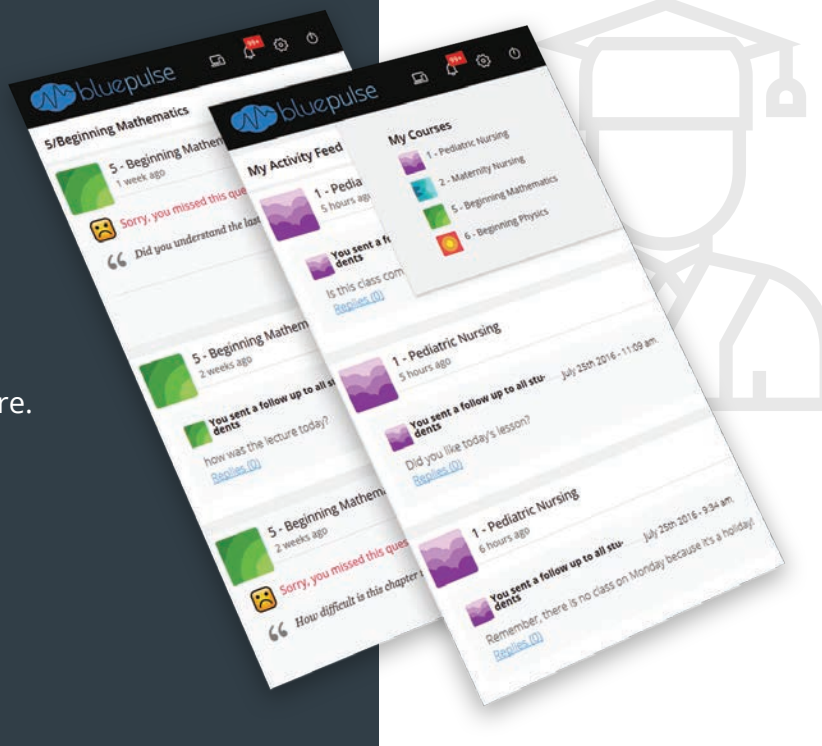

For Faculty

- ✓ Act on feedback immediately and make adjustments when needed.
- ✓ Anticipate end-of-term course evaluations results and improve iteratively with ongoing feedback.
- ✓ Provide an open communication channel for all learning scenarios (traditional, online, blended).
- ✓ Engage all students in the feedback process.
- ✓ Spend less time in office hours and emailing by centralizing student communication.
- ✓ Track progress with detailed reports that show engagement and follow-up actions.

For Students

- ✓ Make your voice heard from day one of the semester.
- ✓ Give confidential feedback anytime, anywhere.
- ✓ See first-hand how your input enhances the learning experience.
- ✓ Gain the help you need anytime to succeed!
