

How to Transform Your Course Evaluation Process to be More Forward Looking

Presenters: Long Hua, Chief Product Officer, eXplorance
Zelbrey Bedard, VP, Blue Product Management, eXplorance

Description: Course evaluations are often the main source of student feedback about their educational experience. However, interpreting the results adequately can prove challenging. In this session, we will examine the power of contextual information in telling comprehensive course evaluation analytics stories for instructors and academic leaders. We will highlight the role of data and survey instruments in helping to craft rich stories, as well as review the potential challenges in assimilating these concepts into the process.
