1:00pm – 5:00pm Location: Training room	Report Hackathon This hands-on learning activity is to apply the learning to deepen the knowledge on Blue reporting features and functionalities covered in the camp. Come with reporting needs and opportunities in your institution to develop a report by applying what you have learned in the camp. The hackathon starts with each participant delivering a brief pitch about his/her reporting project, and then the hacking begins! The event wraps up with a showcase of what you have accomplished in the Blue Report Hackthon.
