Welcome to the BNG2020 VX Scavenger Hunt

Your participation can go a long way in helping you win an all-inclusive trip to one of next year's Bluenotes conference!

Here are a few 'need to knows' about the hunt.

1. Clues/hints will be provided daily, starting on July 28th to the 31st to assist you in your search.
2. The scavenger hunt is word themed, where you will be searching for words to complete a sentence.
3. Each day clues will direct you to a specific page on [bluenotesgroup.com](https://bluenotesgroup.com) and areas within that page where you can find the hidden words that will help form the quote.
4. To find the correct words, you will have to scroll over the correct sections. The correct words will reveal themselves with this text: "scavenger hunt word"
5. Clues will be sent out mid-day which will direct you to where to search, and how many words to look for.
6. Once you have gathered all the words, it is up to you to arrange them into the complete quote.
7. When you have found all the words and arranged them correctly, you may submit your answer via Bluepulse. We will send the final question where you can submit.
8. The deadline to submit the complete quote is August 1st; the winner will be announced on August 3rd.

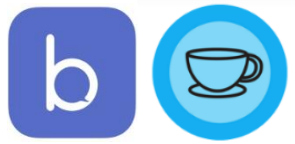

Best of luck!!
