Appendix

Online Evaluation History at UNC

2009

Implementation of first online evaluation system. Schools and departments joined at their discretion over the next two years.

Fall 2014

Implementation of second online evaluation system. Decentralization to each school. College process taken on by Office of Undergraduate Curricula.

Fall 2016

Piloting Blue with 3 College departments, School of Pharmacy, and School of Education. Worked extensively with Explorance PS rep.

Spring 2017

Implementation of Blue across UNC. Professional Services consulting for each school. Onsite training with UNC's dedicated PS rep. College added all departments.

Spring 2020

This example was generated from test project data. It does not reflect any real student responses. This does include all question blocks on the standard report.

Due to the global pandemic, all spring 2020 courses shifted to remote instruction midway through the semester. As a result, these student evaluations of teaching are for the instructor only. It is entirely up to the course instructor if these results and comments are shared during future evaluation or promotion settings.
