BlueML Model Details

The screenshot shows the 'explorance.' logo in the top left and a 'Submit a Request' button in the top right. A search bar labeled 'Search BLueML Help' is centered at the top. Below the search bar is a navigation bar with a 'Contents' tab and a breadcrumb trail: '>> The BlueML models > Student learning categorization (SLC) model'. The main content area is titled 'Student learning categorization (SLC) model'. It includes a description: 'The Student learning categorization (SLC) model categorizes the evaluation of a course by a student of a higher education institution into themes, categories, attributes and sentiments. Use this model to analyze comments from internal surveys and external sources.' Below this is a list of main themes: Course components, Learning environments, Miscellaneous, Persons, and Teaching components. A paragraph states: 'Each of these themes contains a large set of categories and sub-categories. In addition, an attribute and/or sentiment may be applied to each category and sub-category.' At the bottom, a section titled 'This page contains...' lists 'Student learning categorization (SLC) model' with a sub-link 'Categorization'.

Student learning categorization (SLC) model

The Student learning categorization (SLC) model categorizes the evaluation of a course by a student of a higher education institution into themes, categories, attributes and sentiments. Use this model to analyze comments from internal surveys and external sources.

The following is a list of the main themes used by this model:

- Course components
- Learning environments
- Miscellaneous
- Persons
- Teaching components

Each of these themes contains a large set of categories and sub-categories. In addition, an attribute and/or sentiment may be applied to each category and sub-category.

Role Specific Guides

The screenshot shows the Explorance 'blue' The People Insights Platform homepage. At the top left is the Explorance logo, and at the top right is a 'Submit a Request' button with a user icon. The main header is a blue banner with the word 'blue' in white and 'The People Insights Platform' below it. A search bar labeled 'Search Online Help' is centered below the banner. Below the banner are four white cards, each representing a role: Student, Instructor, Course coordinator, and Academic leader. Each card contains a brief description of what users can learn and a green arrow pointing right.
