Is Our Talent Growing?

What Level of Talent Did We Lose vs What we Hired?

Over 7 Years to Catch up

These Insights Triggered the Need to Think Systemically

- The capability we hire affects all downstream processes
- If people are less skilled, we spend more time
 - Onboarding them
 - Coaching them
 - Developing them
- They take more time to get promoted and develop
- Measurement helps us gauge our progress and where to adjust our approach

We All Have Stories Waiting to be Told But...

- ... we need the right data in the right form to tell them
- 360 data can be incredibly valuable; you have the technology
- If you gather it today, mine it to help you tell your story
- If you don't gather it today, where might this data help inform your people strategy and tactical plans?
