Comment #1

I enjoyed working from home. I worked there for almost 14 years. It was very tough when they sent our jobs overseas.

Comment #2

Constant updates and training keep staff informed of company goals. Improving managers ability to communicate to staff is needed. Quarterly bonuses and benefits offset low starting salary.

Comment #3

Don,'t care about their employees. Management super bad .., hours suck . Favoritism. Promote people who should be. This place sucks. Bad pay .wouldn't suggest this place at all.
