

Panel Discussion: Building Belief! Practical Solutions to Encourage Enthusiasm & Engagement in Module Evaluations

- Penny Jones (Chair), Insight Manager, University of Brighton
- Sam Jones, Academic Quality Manager, University of Bristol
- Ellie Mayo-Ward, Student Engagement Manager, Cardiff University
 - Line Krog Heltoft, Project Co-Ordinator, Aarhus University
 - Line Sassersen, Analyst, Copenhagen Business School

**Does policy at your institution encourage
positive engagement in your staff ?**

What are the most effective ways to increase positive engagement in staff ?

What are the most effective ways to increase positive engagement in students?

In terms of the technology available what has made the biggest difference to either staff engagement or student engagement?

What would be the one thing the panel would like above all to increase staff or student engagement at their institution?

Thank you!
