University of British Columbia

Eric Satterly
CIO
Bellarmine University

Janine Holdway
Head of Teaching & Learning Delivery
University of Manchester

Brief Introduction, Context Setting

What Does It Mean to You, When We Say Ethical and Responsible Use of Student Demographics Data in Analyzing Student Feedback?

**What is the Key Obstacle that Needs to Be Addressed for
Ethical and Responsible Use of Data,
Contributing to advancing Teaching Effectiveness and
Student Success?**

**What Can Blue-Using Institutions Do Together
to Advance Teaching Effectiveness and Student Success in Higher Education
with Use of Ethical and Responsible Use of
Student Demographics Data with Student Feedback?**

Q&A
